Student Feedback Analysis Report

Student feedback primarily relates to institutional procedures, practices, and frameworks that consider the concerns of students regarding the calibre of education they receive. This approach is predicated on the idea that learning and a student's surroundings are closely related and that assessing the entire learning environment is an essential task. To assess the teacher's performance on several parameters, we used the institution's quality effort practice to ask final-year B.A. English students for feedback at the end of the sixth semester. The consolidated analysis report is described in detail below.

Programme: BA

Semester: VI

Number of Students Enrolled: 10

Number of Students who participated in the Feedback: 10

Areas of Performance Improvement:

Teaching-learning
The Internet Centre &
Administration

Comments (If any):

- Enough facilities are required for the students in the administration office, computer lab, library, and classrooms.
- Students are required to pay the necessary fees online via the barcode system.

Action Taken:

- Provided more reading space for the boys in the library
- ICT tools for teaching and learning have been arranged.
- Enough PCs have been set up for the English language lab and computer lab.

Action Taken Report

The suggestion received through the feedback on the curriculum was sought and received from the major stakeholder's students, teachers, parents, employer and alumni. The spectrum of parameters used to obtain the feedback was chosen carefully so that analysis of the same would reveal the strengths of the curriculum, which could be built upon, and also the weaknesses for remedial measures to be instituted. The parameters chosen allowed both of generic and discipline specific characteristics of the curriculum to be assessed the finding from the analysis of stakeholder feedback on curriculum have been communicated to the Management, CDC and IQAC besides

Following action were taken-

1. Extra lecture sessions were arranged.
2. Visit to library to MOU collage.
3. Visiting literature fairs

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK

Feedback was taken for each class and each semester from Student, Parents and alumni have been considered. Employers for the entire department have been looked at, which is inclusive of those who place students for internships as well as those who Employ, and graduate students. Teachers have given their observations on the Lacunae that they have observed in a few subjects and have also reported the modifications made during the course of the year and suggested remedies for the same.

The analysis for each question has been considered. In general, the feedback has been positive with all stakeholders expressing satisfaction with the outcomes. The responses have been positive with respect to content, design, workload and applicability as well as with inclusion of advancements.

Subjective feedback provided by a few respondents have been studied and collated. Only those suggestions pertaining to curriculum content and design have been considered. A feedback analysis report has thus been prepared. The relevant and specific suggestions given have been listed out and have been submitted to Management, CDC and IQAC. Besides following actions were taken.

- Syllabus shall cover the modern and upcoming issues. Curriculum should promote activities involving problem solving and reasoning (For Accountancy)
- Teachers should have more creative approach and use different teaching methods involving ICT to engage with students better.
- Curriculum should be supplemented with practical exposure of topics in curriculum. Evaluation through Power point presentation, survey-viva, open book exams, oral responses to audio recordings and so on are being done by teachers.

All Suggestions received through the feedback are immediately communicated Boards of Studies of Faculty of Commerce and Management.
